'HUSH' POLICY

'HUSH' POLICY
REPEAL MOTION CARRIES
ON VOTE
But Standing Orders Are Still
Operative

Chapin's new Standing Orders will be adopted, although the House has not yet voted to live with the new regulations. The new Standing Orders will be adopted, although the House has not yet voted to live with the new regulations. There must be a two-thirds vote to repeal the old rules, which could be repeated at any time. The new Standing Orders will be adopted, although the House has not yet voted to live with the new regulations. The new Standing Orders will be adopted, although the House has not yet voted to live with the new regulations.

The Appointments.

The appointments made at the meeting of Cupar Town Council were confirmed. Bailie Struth and Messrs Russell took the necessary action.

Representatives were appointed as follows: District Committee—Russell, Board of Control—Bainbridge, Smallpox Hospital—Provost Smith, Adamson Hospital—Provost Smith, Faichney, and Messrs. Purves and Nicholson Trust—Baillie Fisher.

When the appointment of the officials came to be made, Mr. Provost Smith moved that the appointments be made for a period of six months, and Mr. A. M. Purves seconded the motion.

Provost Smith moved that the

by seven votes to five the amendment was carried. The officials were reappointed.

Standing Orders Voted

Treasurer Boucher moved that standing orders enacted by the 4th February 1927 be repealed and standing orders dated 21st July 1927 adopted as the standing orders of the Council.

Mr J. Petrie seconded.

Provost Smith moved as amended that the new standing orders be adopted to admit the press and people to monthly meetings, and that the

minutes as formerly. If they motion they would have meetings at the month-committee meetings at the press would be present.

Baillie Fairhead seconded.

Mr Bell said that that would be all right. He would be present at all. Get back to the whole sale.

On a division 7 voted for Mr. Bell and 5 for the Provost.

The Town Clerk said that a two-thirds majority of the motion was carried. Treasurer Boucher said he proposed the same motion for next month.

Another Vote.

The Town Clerk pointed out that a two-thirds majority was in the old Orders as well as in the new. He said, could more a substantive which could be adopted meantime, press and public be admitted to the press, and that the list of secondaries be published.

that carried by a two-thirds majority without prejudice any member bringing another motion.

Treasurer Boucher moved a motion, and Mr James Bell seconded it, and Mr James Bell recorded the negative was carried by 7 votes only.

The Town Clerk—It does not go any further. The Standing Order is in the meantime.

A notice of motion by Treasurer was appointed.

of the Council or any of its Committees of a majority of the Council or of the Council was unanimously carried.

For Morris, medical superintendent of the Matron. The hospital, however, was not suitable for a big epidemic, and should they occur at the same time, they should they occur at the same time.

A committee was appointed to look into the matter and to fill the vacant

**ARBROATH HOUSE
DECISION**

**No New Scheme to
Proceed With**

Arbroath Town Council yesterday
voted to recommend by the Housing
Committee that no further housing

The committee reported having made this decision after having heard from the Convener, Mr. Frank Irons, in response to a number of inquiries into the cost of a home.

Mr. Irons, in moving the adoption of the recommendation, gave details of the fourteen blocks, each containing five contained houses, comprising a living room, two bedrooms, a kitchenette, bathroom, and electric light. The cost of the block, of course, would be \$4,000 to \$4,500.

The committee said Mr Irons was "unmindful of the Medical Officer's report" and "unwilling to accept that report."

When he said that 25 houses were unfit for occupation, he was "of opinion that the report was

Emigration.

The Medical Officer to relieve the suffering suggested thirty houses, but the Irons might say that since 1846 there has been a constant flow of emigrants from Arbroath, with the result that the population had decreased.

Houses could not be rented for £50 per annum, and if the average rental paid by the £11 or £12 there was a

was to bridge the gap? The reply was bridged by someone—the referee.

Dr W. J. Dewar seconded.

Mr J. P. Reid moved that the Honorable member be re-elected to the committee and that he be co-opted as a member of that committee while the matter was considered.

He was not opposed.

£30 5s 8d was the lowest rate of charge, and he was not satisfied to change his criticism of the Motion.

Mr J. M. Bruce seconded.

The committee's recommendation, only the mover and seconding the amendment.

**KELTY SCHOOLBOY
UNDER WHEELS**

**FATAL LORRY ACCIDENT
COWDENBREATH**

A fatal motor accident occurred at Kelty on the 1st inst.

The unfortunate lad, in the
some other boys, also from the
School, was sitting on the side
belonging to a local constable,
according to an eye-witness, he
the side and fell under a road
The wheel passed over his head
in the instant death

STEAMER STRIKE

THREE SAILORS DROWN
Lloyd's agent at Riga reports that the German steamer Mowag, which was en route to Riga, struck a mine and sank off the coast of the Baltic. All of the crew except three were saved.

CUPAR MAN'S HEAD RECOGNISED

Mr Geo. Paterson, a young man, was seen at the Town Council meeting, having been recognised at the hands of the Royal Humane Society.

The parchment bore that the man was a young man, and was seen at the Town Council meeting, having been recognised at the hands of the Royal Humane Society.

On 17th August last, Mr. Thomas Webster, of Fordoun, gallantly saved a young man from the imminent danger of drowning. The Provost said they were the only young men to have in the town a young man who had been so noble a deed.

Mr. Thomas Webster, of Fordoun, was found dead with his throat cut and an open side.
